

Mini Rotary Brush Mower

The Mini Rotary Brush Mower has been engineered for rugged durability, safety, and ease of operation. Industrial built 7 gauge steel design makes it one of the strongest, most versatile brush mowers made for cutting trees, brush, and unwanted weeds and grass.

MAKE QUICK WORK OF YOUR PROPERTIES WITH DUAL CUTTING BLADES

OPEN DECK DESIGN ALLOWS EASY ACCESS TO BRUSH AND TREES

CUTS TREES, BRUSH, WEEDS AND GRASS

Cutaway design to easily cut saplings up to 3" in diameter

A Heavy Duty bearing carrier powered by a direct drive motor for the best combination of performance and longevity

Optional push bar and chain guard shown below

3/8" plate steel skid shoes allow mower to glide across the ground

FEATURES & BENEFITS

- Hydraulic motor with pressure relief operates both directions
- No shear pins or drive clutches
- Dual-edge cutting blades for longer life
- Cut, clear, and mulch unwanted brush, thickets, grass, and saplings up to 3" in diameter
- Open front deck design allows for blades to start cutting a sapling without needing to push it over first
- Break new trails, clear ditches, construction property sites, and other overgrown areas
