

Rotary Brush Mower

The Rotary Brush Mower / Brush Cutter has been re-engineered for rugged durability, safety, and ease of operation. The 66", 72" and 78" models are built from 1/4" steel making them some of the strongest brush mowers manufactured. This is the most versatile mower on the market today. Use it to cut trees, brush, and unwanted weeds and grass. Its unique automatic Float-n-Tilt™ system allows you to cut evenly on level surfaces, as well as the most rugged terrain.
